The Financial Report was approved as presented.

Youth Committee Report – Jason Kramer reported that 8 or more youth pastors from the Association meet on a regular basis to plan things. Jason stated that the partnership amongst the churches is working well. They are working together to make disciples of the next generation and they are passionate about the gospel and reaching the youth.

Jason reported that January 8, 2016 was D-Now (Disciple Now) Weekend with 160 students and approximately 50 adults, who helped with the weekend event. The Associational D-NOW 2017 plans are underway. The churches were challenged to get involved, even if they do not have a youth pastor. D-NOW provides an intense discipleship for the youth.

Upcoming Youth events include....

- September 28 – ‘See You at The Pole’ prayer day for students.
- October 6 – ‘National Bring Your Bible to School Day’.
- October 7-8 – Fusion Youth Weekend at MBTS in Kansas City. A great opportunity to reach unchurched youth and to reach out to mission minded students.
- October 19-27 – Eternity House at North Park Baptist Church in Moberly.
- November 8 – Youth Leadership Planning Meeting at Hallsville Baptist Church at 7 pm
- Feb 18-19, 2017 – Disciple Now Weekend at Hallsville Baptist Church. The theme will be based on Mark 3:14, challenging the youth to reach their friends.

Jason read Mark 3:14 – “He appointed twelve that they might be with him and that he might send them out to preach.” Jason said that Jesus made disciples to make disciples. Jason also challenged the group that if you want to see true worship, attend camp or Disciple Now.

Summer Missions/Partnership Report – Bonnie Carter stated that since Wesley Hammons was unable to attend this meeting, she would combine the Summer Missions and Partnership Reports.

Bonnie reported that this was the 10th Anniversary for the Team. The team verse for 2016 was Ephesians 2:10. And the summer theme seemed to be ‘Keep Calm, God’s Got This!’. The Summer Missionaries kept journals throughout the summer months.

Bonnie gave a little history of how the Summer Missions team was formed under former DOM, George Roach, with team members from 7 churches and how it’s grown into a huge ministry. Bonnie stated that the summer (2016) was a very unique summer with lots of struggles.

The team helped with 5 VBS’s one week. The team worked with 13 churches in the Association, took 3 Mission Trips (Branson for MB125; Helena, Montana with the Association Mission Trip; and Winnipeg, Manitoba Canada). Bonnie said that she appreciated how the churches love on the team.

While in Montana at Big Sky, the team put on a Soccer Camp along with other ministries. The team didn’t know anything about soccer, but the kids attending wouldn’t have known, because the Summer Missions Team did such a great job. Rebekah Walker received the training, coordinated and trained the team.

Bonnie closed with saying that they are always looking for new members. Next year, 2 of the Summer Mission members plan to take a Mission Trip to Romania and 1 to Africa.

On behalf of Wesley Hammons, Bonnie gave the Partnership Missions Report. The CBA Mission Trip was to Helena, Montana, July 10– 15, 2016. There were 39 team members representing 7 churches in the Association and 2 outside of it. The team worked with several churches while in Helena. Work included preparing a building for a new roof, rebuilt a handicapped access ramp, construction, remodeling, and leadership for VBS and a Block Party. The duties varied from church to church, but the team adapted.

Camp Report – Mark Carter reported for June Kelly. There were 115 Students/Staff for Youth Camp, and 145 Children/Staff for Children’s Camp. Mark reported that this is the 18th year at Cedar Crest. There were 9 first time commitments and 3 rededications at camp.

Youth and Children’s Camp for 2017 will have the same schedule as 2016. The projected dates are...

- July 24-28 (Monday-Friday) for Youth Camp
- July 30-Aug 2 (Sunday-Wednesday) for Children’s Camp.

There will be a 36-hour break between camps. Mark encouraged the churches that if they send kids...to also send adults. Mark reported that Bulldog was able to feed the kids for both camps for an average of 89 cents per meal, per person. Thanks to the churches who donated food items and also those who helped prepare, serve and cleanup after the meals.

DOM Search Committee Report – Rev. Mark DeShon reported that the churches had been given a survey and based on the results, the mission statement was rewritten and approved at the Executive Board Meeting on August 29, 2016. The Committee presented a DOM Job Description to use as a

guide for securing the new DOM. The committee reported that they are now accepting resumes for a new DOM (Director of Missions) thru November 1, 2016.

Block Party Trailer Report – Rev. John Rhodes reported that the new Block Party Trailer is put together. He asked that the churches treat the trailers right and keep them cleaned up and to please...do not leave food in the trailers. If a church has food to pass along, that it would be best to give it in person rather than letting it set in the Block Party Trailers.

OLD BUSINESS - None

NEW BUSINESS –

Nominating Committee – The 2017 Officers and Ministry Teams were presented by the Nominating Committee in the form of a motion and second. Motion carried.

2017 Budget – The proposed 2017 Budget is \$40,749.00. The 2016 Budget was \$40,149.00. It was noted that the only change between the 2016 and 2017 Budget was \$600 earmarked under ‘Discipleship’ for training for pastors. It was also noted that the DOM Salary and Expenses were not factored in the 2016 or 2017 figures. Motion carried to accept the 2017 Budget as presented.

Change of Employment Status – Rev. Mark DeShon announced that in order to comply with the new employment regulations, that the Crossroads Baptist Association Secretary, Laura Hunt, has been moved from a contract employee to an employee effective August 1, 2016.

Rev. Dennis Gard reported that the Finance Committee discussed making changes and moving funds to Guidestone Funds, which is utilized by the Southern Baptist Convention. Churches and organizations can move money in and out without penalties. It is not FDIC guaranteed. CBA Secretary Laura Hunt plus 3 others would be listed as designated signatures – The Moderator, Treasurer and DOM (once hired). Motion carried.

Memorial Service – Nancy Coy read the list of members (53) within the churches in the Crossroads Baptist Association, who were called home to be with the Lord during the past year. Nancy closed the Memorial Service with a prayer.

Annual Message – Given by Rev. Mike Quinn, Pastor at First Baptist Church in Salisbury. Bro. Mike read from Acts 2:1 “When the day of Pentecost came, they were all together in one place. ² Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting.” He pointed out that they knew that Pentecost had come and were in the upper room praying. The Holy Spirit came and swept into the room.

Bro. Mike stated that we know that our churches are not strong, the Association is not strong, and the convention is not strong. In order to help the churches, we are called to be strong and in order to be strong, we must get back to the basics, which is teaching the Bible.

Bro. Mike stated that God is not interested in our opinions, but His Word. We need an appetite for God’s Word and if we don’t have that appetite for His Word, then something is wrong. Bro. Mike encouraged us to fellowship around the work of God. Use God’s spiritual gifts. He also encouraged pastors to help members find their spiritual gifts.

Other points included...we need to know how to pray. We need Revival. We need spiritual guidance. God can shake things up and then we need to be ready to praise Him. Bro. Mike noted that it’s easy

to praise God when things are going good, but not when things aren't so good. He said that with Thanksgiving coming up soon, that we need to take time to 'Be still and know He is God'. The early church was strong in love and loved one another. They proved it by caring and sharing with one another. How do we love? By giving. By being strong in evangelism.

He closed by saying that there are plenty of lost folks out there all around us. We've got to get outside the walls. We've got to show the love of Christ, share love and share evangelism. Bro. Mike then closed with prayer, asking God to burden us for the lost.

Announcements – The 2017 Annual Crossroads Baptist Association Meeting will be held on Monday, September 25, 2017 at First Baptist Church in Fayette, starting at 7 pm. Rev. Bill Gamber, Pastor at Brunswick Baptist Church will bring the message at the Annual Meeting.

Closing Prayer – Rev. Dennis Gard closed us with prayer.

Crossroads Baptist Association
Special Session Minutes
February 7, 2017

Crossroads Baptist Association met for a special called meeting to present a candidate for the position of Director of Mission and to vote on the salary package.

Mark DeShon, moderator, opened with a word of prayer and presented the agenda. Mark then called on John Rhodes, chairman of the finance committee to come forward and present the salary package.

John Rhodes presented the printed 2017 budget which includes the salary breakdown. The total salary package will be for \$50,000.00 and \$5,000.00 in reimbursed expenses. A note was made that the reimbursed expenses needed to be moved under the heading of office expenditures and not listed as part of the salary package. John also reported that \$5,000.00 would be used from the general fund for a one-time office set-up expense. He stated that any remaining money left from the office set-up would be rolled into the DOM's reimbursement account. The budget with the amendment was passed by a vote of the body.

Mark DeShon, moderator, then invited Paul Young, chairman of the DOM search committee forward.

Paul Young, chairman of the DOM search committee, stated that he was very excited to present candidate, Mark Carter for position of DOM. He stated that, if elected, Mark would officially begin his duties as DOM on March 1, 2017. Mark Carter was then invited to the front and asked to give his testimony and how he had felt called to this position.

Mark Carter stated that he had been raised in a Christian home and that his dad was called as a pastor when Mark was very young. He also added that he accepted Christ at a very young age. He stated that while attending a youth conference at the age of 16, he felt God calling him into the ministry. When the position of DOM came available, he said that he had several people ask him if he was going to apply. He stated that it took some time and many more people bringing it up to him that he finally turned in his resume the weekend of Thanksgiving. He then met with the committee on 12/19/16 for an interview/lunch. He stated that he is very humbled and feels very privileged to be able to serve the association in this way.

A question was asked, "What is your first focus?"

Mark answered by saying that he would first like to get to know all the churches better and to remind the churches what their focus was and how they fit into the association. He stated that now is the time that the churches needed to refocus and find their mission and how they might play their part in the association.

A second question was asked, "Is there a committee to go to if something comes up that Mark would not know how to handle?"

Mark DeShon answered, stating that there is a leadership council in place that Mark would utilize if that situation were to arise.

There were no more questions so the call was made to cast the ballots.

While the ballots were being counted, Patrick Argent, music minister of Huntsville First Baptist Church, led the congregation in *"I Stand Amazed in the Presence"* followed by *"It Is Well With My Soul"*.

The ballots had been counted and the results were given to moderator, Mark DeShon. He presented the results by stating, "This is how these things are supposed to work, the vote is unanimous!".

Mark and Bonnie Carter were then asked to sit at the front of the church so that a prayer commissioning could be held. John Rhodes played the piano as people made their way forward to pray over Mark and Bonnie.

After the prayer time, Mark Carter stated that he is very humbled and loves this association. He also wanted to make everyone aware of some upcoming dates:

2/11/17	Valentine's Banquet at FBC Salisbury
2/17-19/17	DNOW
3/19/17	Mission trip meeting to Helena, MT at FBC Paris at 2pm
4/22/17	VBS training at FBC Moberly from 8:30 – 12

Mark DeShon then dismissed the meeting with an invitation to join them in the fellowship hall for cookies and punch. The meeting was dismissed by prayer.

1. Make a line item for DNow, so that donations can be made to that fund. DNow will be included in the budget next year.
2. Currently DNow is in the hole by \$998.60. Jason reported that they expected more kids and thought the churches would give more. The Budget Committee recommended that so as to not drain the Family Ministry budget, that DNow be paid straight from the general fund and leave the Family Ministry budget as it is for this year. Bro. Dennis Gard stated that hopefully in the future, DNow will be able to fund itself at some point.
3. Divide the Family Ministry budget into 2 categories as follows...
 - i. Family Ministries - \$1000
 - ii. Youth - \$2000
4. Block Party Trailer recommendations....
 - i. Drop the \$100 Deposit.
 - ii. Reduce the fees to \$35 the first day and \$20 for each additional day of usage. Bro. John Rhodes stated that the Block Trailers are a great ministry and we don't want to put an extra burden on the churches, especially the smaller churches.
 - iii. The DOM will have oversight and authority to limit the use (due to damage or need.

The DOM would have the authority to waive fees if he feels it is necessary.

The recommendations were voted on 1 at a time as follows....

2. Motion carried to pay the \$998.60 from the General Fund rather than from the Family Ministry Budget.
3. Motion carried to Divide the Family Ministry Budget between Family Ministries and Youth. DNow is not included and they will have their own line item budget next year.

John Rhodes pointed out that the DOM will have the right to override or set a limit on the number of days that the Block Party Trailers can be out. He will keep oversight of the trailers. Bonnie Carter asked who checks on and keeps track of the Block Party Trailers? Laura Hunt stated that North Park Baptist Church will keep track of them for now. This year there are 5 churches represented on the Mission Team and 7 with the part-time missionaries. The Missionaries have trips planned to Romania and Canada. Bonnie said it's neat to see how God takes these young people and the way He uses them.

Reports.... Partnership Missions Report

Rev. Wesley Hammond reported that there was a Planning Meeting in early March. The Mission Team will be returning to Helena, Montana this summer to the same church that they were

scheduled to do work at last year. Due to financial challenges last year, the team wound up working at 6 different churches. Rev. Hammond stated that the Partnership Mission team has learned and continues to be 'flexible, flexible, flexible'. He reported that the CBA Mission Team works well with the Partnership Mission Team. He noted that Ruby Levings takes care of housing and Tony Woods coordinates the construction work. Rev. Over the past 20 years, he has seen a large impact on the people who serve and to those they come in contact with.

- Make certain the word is out
- Pray (Prayers are coveted)
- Give financially

Wesley Hammonds noted that the DR (Disaster Relief) trailer is being reorganized and is currently in Paris.

DOM Report....

DOM, Rev. Mark Carter reported that he was humbled to be standing in this meeting on Day 55 of his new role as the Crossroads Baptist Association Director of Missions. Thus far in his role as DOM, he has visited 9 churches, preached at 3 and lead worship in 2. He is in the process of creating a 'Pulpit Supply' list for the churches. Currently, he has about a ½ dozen names of those who can preach.

DOM Carter reported that he appreciates making the Block Party Trailers more accessible to the churches.

He also noted that he likes the M & M (Missions and Ministry) offering. Even if individual donations of \$20 are made 1 time a year, any extra will help meet the needs where they are.

Rev. Mark Carter reported that VBS training was held this past weekend with 47 present. There were 11 churches represented last year and 15 this year. There is a total of 28 churches in the Association and we may be expanding that number.

The Association has purchased a projector and screen and is being housed at North Park Baptist Church.

Youth Camp will be held July 24-28 and Children's Camp from July 29th – August 1, 2017.

Rev. Carter noted that the number of baptisms has declined the last 20 years. He also reported that he has located every church in CBA and his goal is to visit each church at least twice a year. - Giving History (January 1 thru August 29, 2017) - \$73,373.57

Reports.... Youth Committee

DOM, Mark Carter reported in the absence of Jason Kramer, who was with his wife in the ER at the time of this meeting. The DOM reported that the youth had a big event at the Moberly Aquatic Center in August with almost 200 students and adults attending. The event kicked off with Baptisms before anyone else got into the pool.

Upcoming events include...

- Fundraiser at a home Mizzou Game (Sept 9, Oct 21, Nov 4, Nov 11). It was reported that 12% of the profit from Concession Stand #4 (at Gate 5E on the east side of the stadium) will go toward D-NOW, which will in turn help keep the expenses down for the churches. Anyone attending an MU home football game is encouraged to use Concession #4 at Gate 5E.
- Sept 23 – Concord Baptist Church in Jefferson City is holding a 'Dare to Share Live' simulcast. Rather than the event being held in 10 or 15 locations around the state, this 1 simulcast will allow more than 90 locations to have access to the event. The cost is \$20 per person. CBA has partnered with Concord to provide ushers. Those who would like to volunteer to help with the event, should contact Jason Kramer. There will be a training for the volunteer ushers on September 22nd. For those who would like to camp overnight, bring your sleeping bag and utilize sleeping accommodations at Concord Baptist Church. It was noted that this event is timed down to the second, including the live worship band and the live testimonies.
- Plans are underway for D-NOW, which will be held on President's Day Weekend, 2018.

With no further information regarding upcoming youth activities, Rev. Mark DeShon asked for a volunteer to pray for Jason's wife, Christy, who is in the ER with what has been reported as dehydration and a stomach virus. Bonnie Carter lifted Christy Kramer up in prayer.

Reports.... Summer Mission Team

Bonnie Carter reported that this has been an amazing summer. The Summer Mission Team is formulated of volunteer students in High School and College, who spent 10 weeks during the summer assisting 13 churches with VBS, MB-125 in Branson and 3 Mission Trips.

The Summer Mission Team provided daycare for babies and up at MB-125, so that the pastors and their wives could attend the sessions without worrying about their children. Bonnie took a moment to encourage pastors of churches with attendance of less than 125 to attend the MB-125 in Branson.

Bonnie stated that despite challenges, this was the best summer ever. The team helped with VBS at Gateway to the High Country Cowboy Church near Clark, Missouri. The church wanted a western theme, so the team used the 'Galactic Starveyors' teaching materials and turned it into a 'Western' theme.

Bonnie noted that she and the team members are becoming very familiar with the kids in the area churches they have worked with thru VBS. Kids will approach them at Walmart or other locations.

This is the 7th year that the Summer Mission Team has gone to Canada. She questioned why God hasn't led them to a different location, but stated that apparently God's not done with them in Canada. This was the 2nd year that the team has done a 'Performing Arts Camp' with the youth in Canada. She noted that there were 6 students who have attended VBS all 7 years. She said that most of the kid's families are not in church and that God has said, "That is why you are here". The Summer Mission Team has been the main source of discipleship for these kids over the past 7 years, even though it's only for a very short period of time each of those summers.

Bonnie noted that if you spent the summer traveling with 12 teenagers and college students, that your world would be turned upside down. Bonnie believes that her team is the ONLY such team in the state of Missouri. MB-125 has said they couldn't hold their conference without the assistance of this team for child care.

Bonnie told of other stories including Sarah Keeling, who has answered the call to go to Winnipeg in Canada and to work with 10 to 12 kids, ages 12 to 16 for 3 months. Bonnie will give a more extensive report on the work of the Summer Mission Team at the Annual Meeting.

Reports.... Partnership Missions Report

Bonnie Carter reported in the absence of Rev. Wesley Hammond. The Mission Trip this year was a return trip to Helena, Montana with 76 people representing 9 or 10 churches in the Association. Bonnie reported that it is a gorgeous area, but there is spiritual warfare and lots of oppression there.

The team returned to Big Sky Fellowship Church to assist with construction again this summer. The Mission Team was told of another church (Capital Baptist Church) in the area that needed assistance with construction work, so some of the mission team helped with construction at Captial Baptist Church. In addition to construction at the churches, the team also did prayer walking.

Announcement...Disaster Relief

Rev. John Rhodes reported on Disaster Relief efforts in the absence of Ryan Britt of Salisbury. Rev. Rhodes asked that the churches be praying for the cleanup efforts in Texas. The waters should be receding by Friday (September 1, 2017) and teams will be in place to start cleanup ASAP. Missouri DR Feeding units are being deployed out of Cape Girardeau. Children's Units have already headed to Texas.

Rev Rhodes reported that Dwain Carter, the former Missouri Director of Disaster Relief up until a few weeks ago, recently assumed those same duties in Texas.

The question was raised, has the chainsaws been purchased for the DR Chainsaw Trailer? CBA Secretary, Laura Hunt, thought that they have them, but not sure that they've been paid for yet.

DOM Report....

DOM, Rev. Mark Carter reported that he tries to be at a different church each week, but still has 5 or 6 more churches to attend. Thus far during his first 6 months as the DOM, he's already logged over 4000 miles. He said that it's been an exciting time for him as DOM. He attended MB-125 and has gone on the 3 Mission Trips.

Youth Camp was a great time with 95 youth.

DOM Carter is gearing up for the Annual Meeting on September 24th at First Baptist Church in Fayette. Things are being changed up this year. The Annual Meeting will start at 3 pm with an afternoon session, an evening meal and an evening session. The Annual Meeting will be a great time of worship and fellowship. First Baptist Church of Fayette will provide the meat and drinks. Everyone attending is asked to bring a side dish or dessert.

A proposal will be made to change the Executive Board Meetings from April and August to January and May, with the Annual Meeting continuing to be held in September.

At the April 2017 Executive Board Meeting, there was a suggestion for the Association to purchase a van, which would be available for mission trips and also for churches to use if they need it. More information will be made available at the Annual Meeting in September.

DOM Carter would like to implement a suggestion from some time ago regarding 1-day Missions. He's like to see it started in October. Churches would receive the benefit of work done on a mission trip all in 1 day.

It was reported that the old Pine Car Derby Track is being stored at North Park Baptist Church. The question was raised, what should be done with it now that it is no longer used? If anyone has any ideas, please contact DOM Mark Carter or Moderator, Mark DeShon.

Missouri Mission Offering: DOM Carter reported that we benefit from the Missouri Mission Offering. The Summer Missionaries through the Missouri Baptist Convention are paid from the MMO. Crossroads Baptist Association also receives 10% of what the churches give to the Missouri Mission Offering, which helps with the Mission Trip. Churches are encouraged to give to the Missouri Mission Offering.

DOM Carter reported that at the April 2017 Executive Board Meeting, a M&M offering was taken. There was \$170 in that offering, which was taken with the Mission Team to Helena, Montana. It was noted that the pastor at Capital Baptist Church was struggling. DOM Mark Carter felt lead to give the money to the pastor. The pastor was encouraged to go on a date with his wife and perhaps stay

overnight. The family needed encouragement and hopefully the \$160 donation would give them a chance to relax and enjoy some time for themselves.

The Pastor/Staff Christmas Party will be held on December 1st. It's a free event for the pastor and their staff. Details will be sent out to the pastors once they are worked out.

DOM Mark Carter reported that he has hosted the Associational Choir the past 3 years. He's been asked if there will be a choir this year. He said that 'yes' there will be an Associational Choir again this year. He will get information out in September, with rehearsals starting in October.

September 5th – the pastors will meet for a breakfast rather than a lunch. They will meet at Hardees in Moberly at 8 am and hopefully will be out by 9 am.

There is a great need for Disaster Relief assistance. The churches are encouraged to take up special offerings for Disaster Relief. There are several ways to help...pray, give financially, or go and help. There will be a Disaster Relief Training in Hannibal at Calvary Baptist Church on September 8th and 9th. The cost is \$40 for new people.

DOM Mark Carter reported that he has been overwhelmed by the responsibility of transitioning from serving 1 church to now serving 28 churches. But, he is up to the challenge.

There is a need for 3 people to serve on the Nominating Committee. Anyone interested or know of someone willing to serve, should contact DOM Mark Carter.

The Marriage Retreat 'Hooked for Life' only had a few couples, but it was a great weekend. Rev. Dennis Gard and DOM Mark Carter will evaluate the retreat and make a determination as to whether to host one again.

OLD BUSINESS.... None!

NEW BUSINESS – Finance Team Policy recommendation

Rev. John Rhodes, on behalf of the Finance team stated that DOM Mark Carter has been doing a great job of making himself available and it's appreciated. In order to better serve and protect DOM Mark Carter and the Association, the Finance Committee Policy brought the following proposal for 'DOM Reimbursements'.

- “The Finance Committee of the Crossroads Baptist Association wish to recommend the following financial policy for approval at the 2017 Annual Meeting of the Crossroads Baptist Association.

As of January 1, 2018, the DOM ministry reimbursement line will be removed from the DOM salary packet, and will be a separate line item to be set by the finance committee each year. The DOM ministry reimbursements will no longer be listed under salary.

We believe this best protects the DOM and the Association. The Finance Committee will consult with the DOM each year to make sure the DOM ministry reimbursements are adequate to meet his needs.”

It was noted that the DOM's salary WILL NOT be decreased.

The proposal will be presented as a motion from the Finance Committee at the Annual Meeting in September 2017.

The Finance Committee reported that they would like to bring a recommendation to the Annual Meeting to take up a special offering to be earmarked for a specific need. Rev. Dennis Gard brought a motion to take up a special offering at the Annual Meeting to be used for a specific need to be outlined at the meeting by the Finance Committee. Bonnie Carter seconded the motion. Motion carried.

With no other business at hand, Moderator Mark DeShon closed the meeting with prayer.

Moderator, Mark DeShon

Respectfully submitted by,
Elvina Cunningham, Clerk

Crossroads Baptist Association Camp Report

It was another great year at Camp Cedar Crest for our Crossroads Baptist Association Camp! We would not be able to do camp without a great staff, which was headed up by Youth Camp Director, Mark Carter and Assistant, Michael Hunt and Children's Camp Director, Johanna Wilkerson and Assistant, Alan Wilkerson. We were fortunate to have "Bulldog" back with us as the Head Chef along with Amanda McCoy and Wren Johannaber serving as our Life Guards for the week. Serving as our Camp Nurses were Regina Emmerich and Kristi Baden. We were blessed by both Colton Strother and Edwin Aquino who served as Youth and Children's Pastor. We are also very thankful to our Worship Teams and Summer Missionaries that helped in several capacities.

This year's Youth Camp theme was "*Positive I.D.*" with Acts 17:28a used as our key verse. Children's Camp theme was "Deeper than a Band-Aid" with Proverbs 17:22a as our key verse. We greatly appreciated the service from many of our associational churches that sent volunteers out into this mission opportunity.

As a result of God's blessing through this mission opportunity – five campers made first time salvation decisions this year, and two rededications. Attendance was 95 campers and 41 staff for Youth Camp, and 118 campers and 40 staff for Children's Camp.

Projected 2018 camp dates are: Youth Camp July 23 – 27 and Children's Camp July 28 – July 31.

Thank you for your continued prayers, donations, volunteers, and support of our associational camp. This is always one of the greatest opportunities we have all year to reach our young people for Christ!

Crossroads Baptist Association Disaster Relief Report

2017 had been a much slower year for Disaster Relief up until Hurricane Harvey in which every resource available for response is being called upon. There will be many opportunities for service as Texas begins the efforts of rebounding from this record breaking disaster. If anyone is interested in answering this call please contact me and we will help facilitate those efforts. Unfortunately for many of us in agriculture this is a busy time of year. However, a disaster of this size will require recovery teams for an extended time and will most likely continue through the fall and into winter. Please consider seeking training to be eligible to serve in this ministry. Please be steadfast in continued prayer for those affected and those who are serving. Please prayerfully consider donating to Missouri Baptist Disaster Relief and or Texas Baptist Men as they serve those who have lost so much.

The good news for our association is that we have received a grant from the state disaster relief funds for the purchase of chainsaws and recovery equipment for our trailer. This brings our available funds to \$9,069.62 and will allow us to make those purchases and be able to respond with a well-equipped trailer. Our goal is to complete this process soon. Thank you for your continued support of this ministry which seeks to provide Help, Hope and Healing in a time of great need.

Partnership Mission Report

Wesley Hammond, Coordinator

The CBA Partnership Missions team returned to Helena, Montana the week of July 9-14. We were working with Big Sky Fellowship on the construction of their first unit building.

There were 78 of us representing 9 churches: Carpenter Street, FBC Fayette, FBC Hallsville, FBC Huntsville, FBC Moberly, FBC Paris, Midway Heights, Mt. Shiloh, and FBC Sturgeon. The youngest member of our team was age 3 and the oldest was 82! Everyone was able to work and contribute to the ministry, and have a little fun in the process.

On Sunday morning, we enjoyed a great time of worship with people from our team joining in with their leadership team. Following our afternoon planning meeting we had some down time where we could get ready to begin work on Monday. Early Sunday evening a storm came through and brought down about half the trusses and a large section of the north wall. What started as a great day of worship, ended in shock, disbelief, and uncertainty.

Out of the pile of crumpled trusses came showers of blessing. God used the storm to give the people of the church favor from many in the community. While waiting for the insurance company to release the job site we decided other churches and community members could benefit from a team willing to work, but no place to go. Unexpectedly, the job site was released late Monday, but because we had made commitments to help the others we spread out to accomplish more and keep our word. God brought glory to Himself. During our week of ministry these are some of the blessings poured out:

- Capital Baptist Church received a week's worth of remodeling work.
- Helena Valley had remodeling and ministry projects completed.
- A storage shed was cleaned out.
- A Montana Disaster Relief shower trailer had a hot water heater replaced.
- One or two local homes had work finished.
- All the trusses were cleaned up, dismantled, sorted, and stacked.
- The main supporting wall that collapsed was rebuilt.
- Most of the sheeting on the exterior walls was installed.
- Many of the doorframes were resized.
- Most of the fireproofing sheetrock was hung.
- The remainder of the roof that could be sheeted was completed.
- The front portico concrete was poured.
- The south-side entryway concrete was poured.
- A lot of miscellaneous carpentry work was completed.

God proved Himself faithful and allowed us to be a part of His kingdom work.

Next year's trip is scheduled for July 8-13, 2018. We will have a preliminary meeting TBD in the spring. Make plans now to join the fun!

Crossroads Baptist Association Student Missions Report

As we travel around our association, our state, Montana and Canada we encounter much of the same things, people, yes people and stories how our lives intersect. Most of the people we meet are children through Vacation Bible School, mb125, and Performing Arts Camp. We also encounter Students and Adults as we serve together through construction and prayer walking in Montana and more. That is what each summer is about, our team intersecting with others to Glorify Christ and share His love with others.

This summer we served in 13 VBS's, Super Summer, mb125 with the MBC, Mission Trips to Helena, Montana and Winnipeg, Manitoba, Canada. We have driven countless miles, sung VBS songs till they are in our dreams, roped cattle, taken pies in the face, and more. We had one of our team members serve at St. Adolphe Bible Fellowship in Canada for 10 weeks, and now we have one of our Summer Missionaries, Sarah Keeling, serving at an Arabic Church in Winnipeg, Canada for 3 months. The heart of who we are and what we do is in the story below.

This is our 7th year to Canada and we have served at the same 2 churches every year. S.A.L.T. Community of Believers Church is a small struggling church in a rural community outside of Winnipeg. We have done VBS for 5 of our 7 years and just started doing a Performing Arts Camp for the youth the past 2 years. This year as we finished our Performing Arts Camp with a youth cast party, we had 2 of our students share their story and then presented the Gospel. Looking at the students it occurred to me that we have had this group of kids since they were little children, and then I realized our team has been discipling this group for 7 years. Just like in our association churches, we have been able to come alongside and help disciple your children for 11 years. Our Team is made up of some of the kids we had the opportunity to help disciple in VBS.

That is who we are, we are Christ Followers, who are being disciplined by our leaders, and then joining you in discipling your children.

We are who we are because of Christ and the great support from our association.

Thank you!!!

Student Mission Team Leader

Crossroads Baptist Association Youth Committee Report

I'm excited to share about what is going on in our association in student ministry. I also want you to now you and your church can get involved in helping us reach the next generation with the Gospel. Many of the churches in our association are regularly involved cooperating together to make disciples. The year began with our Discipleship Now weekend "Challenge." This was held in February and hosted by Hallsville Baptist Church with a Saturday banquet hosted by FBC Centralia. We had over ten churches participate in the entire weekend event with over 230 students and adult leaders registered. All who participated were Challenged to take the Gospel forward. This summer we had our largest attended pool party ever with almost 200 students and leaders. This was a great time of fellowship for students and leaders alike. The pool party this year also included a baptism. Our churches are also active throughout the year working together in service and missions. One of the things we are currently doing this Fall is working at Missouri Football games. Four of our churches will be working concessions at the stadium and a portion of the sales will go towards lowering the cost for students to attend our DNOW weekend this coming February 2018. Our association has also been partnering with the Missouri Baptist Convention and Concord Baptist Church of Jefferson City to plan and staff the Dare 2 Share Live event that will take place on September 23.

We would love to have you join our team. Our leadership team consists of youth pastors and other volunteers from approximately 10 of the 28 churches in our association. We need more participation from more churches! This team meets on a regular basis to plan, share ideas, encourage one another, and pray for one another. Please help us reach the next generation.

Here's a list of upcoming opportunities for your church to get students and leaders involved:

- Wednesday, September 27th is national See You at The Pole prayer day for students.
- October 5th is national Bring Your Bible to school day.
- October 20-21 is the Fusion youth weekend at MBTS Kansas City.
- October 18, 19, 21, 22, 24, 25, and 26 is the Eternity House at North Park you must make reservations to attend.
- November 30th will be our annual Christmas party for youth leaders and their families.
- February 17-18 Associational DNOW weekend at Hallsville Baptist Church. Matt Marrs will be our speaker for the weekend.

If your church would like more information about upcoming events or opportunities to get your students involved please do not hesitate to contact me. I can be reached via email brojasonkramer@gmail.com or by calling [573 825-7164](tel:5738257164).

Stay steady,
Jason Kramer

Crossroads Baptist Association DOM Report

2017 has been a year of transition for my family and me. Thank you for allowing me to serve as your Director of Missions. This has been a great start to what I hope are many years of ministry and service together.

Our vision statement is my prayer for each of our churches, *Together Sharing the Gospel of Jesus Christ*. We each have our different fields, maybe different methods, but our vision, our purpose is the same, telling people about Jesus and His love for them. I hear every week how God is moving and lives are being transformed. Let us not grow weary in our mission. There are days when it's hard and seemingly not rewarding but, our reward isn't man's praise but God's.

We have trained leaders in Vacation Bible School. We have been revived through special meetings throughout our churches. We have reached hundreds of children through VBS and many of them have accepted Jesus as their Lord and Savior for the first time. We have seen God miraculously answer prayers while on our mission trip to Montana. We blessed a young pastor and his wife through your giving to the M&M offering. We witnessed God's presence in the lives of our Student Mission Team and Summer Missionaries. We renewed friendships and made new friends in Canada as God allowed us to do more than we expected in Winnipeg. We hosted our Regional WMU Training. We had the opportunity to enrich some marriages at our Marriage Retreat.

I hope you noticed all the "we's". Just as I am nothing without Bonnie, I am nothing without you. We need each other. Together we go. Together we serve. Together we give. Together God works.

Thank you for being open to serving together. Let's finish 2017 strong and look forward to an amazing 2018.

Together Sharing the Gospel,

Mark

Crossroads Baptist Association
Audit Committee Report
January – June 2017

Purpose Statement: To provide reasonable assurance as to whether the financial statements from the Association are accurately stated and reflect the Association's mission and program goals.

The online accounting system now in use provides an open window to the daily financial activities of the Ministry. Both the Finance Committee and Audit Committee can view its operations and make reports. With such an open and transparent system, the Ministry finances are protected from malicious or inappropriate activity. The Audit Committee thought it equally important to make sure systems are in place to protect the ministry workers as they are a valuable asset to the Association.

Audit year 2017: No problems were found. The records are currently kept at North Park Baptist Church for the convenience of the bookkeeper. Records for 2017 were made available to the committee along with verification in the form of requests for payment, receipts, deposit records and bank statements. All are kept in order and are easy to check. In the past, the Audit Committee recommended that the DOM or Moderator (in the absence of a DOM) check each monthly statement and verify that they are correct. This practice was implemented in 2015.

Recommendations:

- Have the bookkeeper include a copy of the budget and expenditures to date records along with the bank statements and payment verifications.
- At least one member of the Audit Committee should be familiar with bookkeeping/accounting practices.

Respectfully submitted by,
Laurel Seeley, Audit Committee Member

Audit Committee members:
Laurel Seeley (North Park Baptist Church)
Leroy Jackson (Cairo Baptist Church)

RECOMMENDED AUDIT COMMITTEE PROCEDURES

- Meet as a new Committee in January or February to ensure audit reports are done for the Executive Board meeting in May. Make a plan and decide what duties will be done by whom and by when.
- Meet with Bookkeeper. Ask what the procedures are for both Accounts Payable and Accounts Receivable. Listen for problems that may need addressing. New Audit Committee Members need to request access to the online accounting system by the Bookkeeper and familiarize self with reports.
- Review last year's financial records (kept at Crossroads office).
 - Accounts Payable – spot check (3-5 samples) for documentation and authorization (if needed).
 - Accounts Receivable - Check Monthly Bank Statements against monthly reconciliation reports. Make sure reconciliations are done and no discrepancies.
- Finalize Audit Report for the Executive Board meeting.
- Review and make ongoing necessary changes to Audit Committee Procedures.

Finance Committee Van Recommendation

August 7, 2017

The Finance Committee of the Crossroads Baptist Association wish to recommend the following line items be added to the 2018 budget for approval at the 2017 Annual Meeting of the Crossroads Baptist Association.

For many years now the Crossroads Baptist Association has invested much into the summer student ministry, and for years a few churches have helped make this ministry possible by providing transportation for them. We, as the finance committee, feel this is beginning to put a burden on these churches. Therefore, we recommend the association set aside \$10,000 as seed money for the purchase of a good used van. We also recommend that we raise, through gifts from churches and individuals, addition funds so we can purchase the newest van possible, so it can serve our association for many years. The purchased van will also be available for churches to use when the summer mission team is not using it. The following is reflected in the budget to cover the expenses of the van.

Van - \$10,000 seed money
Insurance - \$750
Maintenance - \$1,500
Fuel - \$1,000

We ask that you prayerfully consider this and approve these additions to the budget.

We also recommend that the offering we receive at this year's Annual Meeting go toward the purchase of the van as the first love offering received.

Thank you for your consideration.

Respectfully submitted,

John Rhodes
Finance Committee Chairman

Restroom Guidelines

Children five (5) years of age and younger should use a classroom bathroom if one is available. If a classroom bathroom is not available, workers should escort a group of children to the hallway bathroom. They should always go in a group, never taking a child to the bathroom alone. The workers should check the bathroom first to make sure that it is empty, and then allow the children inside. The workers should then remain outside the bathroom door and escort the children back to the classroom. If a child is taking longer than seems necessary, the worker should open the bathroom

door and call the child's name. If a child requires assistance, the workers should prop open the bathroom door, and leave the stall door open as they assist the child.

For children over the age of five (5), at least one adult male should take boys to the restroom and at least one adult female should take girls. The worker should check the bathroom first to make sure that the bathroom is empty, and then allow the children inside. The worker should then remain outside the bathroom door and escort the children back to the classroom.

For the protection of all, workers should *never* be alone with a child in a bathroom with the door closed and never be in a closed bathroom stall with a child. Parents are strongly encouraged to have their children visit the bathroom prior to each class.

Accidental Injuries to Children

In the event that a child or youth is injured while under our care, the following steps should be followed:

1. For minor injuries, scrapes, and bruises, workers will provide First Aid (Band-Aids, etc.) as appropriate and will notify the child's parent or guardian of the injury at the time the child is picked up from our care.
2. For injuries requiring medical treatment beyond simple First Aid, the parent and/or guardian will immediately be summoned. If warranted by circumstances, an ambulance will be called.
3. Once the child has received appropriate medical attention, a written record of the events should be completed in the case of injuries requiring treatment by a medical professional.

Policies and Procedures

DOM Reimbursable

1. Private transportation

The rate of reimbursement is equal to the standard rate set by the US General Services Administration under Privately Owned Vehicle Mileage Reimbursement Rates. The reimbursement covers all fuel, maintenance, insurance, transportation, and operating costs. Fuel costs are included in the per-mile reimbursement rate and are not reimbursed separately for use of privately owned vehicles. Damage to a privately owned vehicle shall be covered by the individuals' private insurance, costs for which are also included in the mileage reimbursement. Crossroads Baptist Association does not assume responsibility for deductibles or other uninsured loss to the vehicle.

Mileage is considered any miles driven in a vehicle while performing normal work related responsibilities. Some of these tasks are, but not limited to, visiting churches, attending meetings, meeting with pastors, associational church events, etc.

If the DOM maintains two offices (home and association) he may count miles driven from his home office to the associational office provided he has been working at home and is called to the office.

If the work he needs to perform can only be done from the associational office or if he is simply coming to work that day at the office, these miles will be considered commuter miles and will not be covered.

2. All costs accrued while serving with the Missouri Baptist Convention or Southern Baptist Convention will be covered, minus any expenses paid by either organization for mileage, lodging, meals, etc. The DOM must deduct any reimbursements from these organizations prior to submitting any reimbursements to the association.
3. The DOM cell phone is 100% reimbursable for his portion of monthly service and service fees.
4. All other reimbursable apply as defined on the reimbursement submission form.
